A Rolly Waters Mystery

COREY LYNN FAYMAN

An obscure rock'n'roll roadie dies under mysterious circumstances. A prized Jimi Hendrix guitar has gone missing. Can Rolly Waters save his new client from the ruthless collectors looking for it?

When nurse and fledgling pilot Lucinda Rhodes hires guitar-playing private detective Rolly Waters to track down a Stratocaster guitar owned by her deceased father, Rolly is thrilled to take on her case, especially when he learns the guitar's original owner may have been Jimi Hendrix. But Gerry Rhodes's reckless personal history leads to more questions than Rolly and Lucinda have bargained for when an aging rock'n'roll impresario, his trophy wife, a Russian gangster and the FBI all get involved. When a forty-year-old shooting accident reveals a surprising connection to a pop star's hit record, Rolly sees darker forces at work. And his and Lucinda's lives hang in the balance.
